l'inKontro

L'inkontro, en attente de la phrase ...

In winter 2023-2024, a new meeting space will be built in the existing Chalet Carlsberg space.

L'inkontro, meaning "I am going to meet" in the local Val de Bagnes dialect, will be an Italian restaurant retaining a close connection to the alpine territory of Valais.

The first stage of the works will start in May with the clearing work followed by the transformation of Chalet Carlsberg.

From September, we will enter the construction stage of l'inkontro. You can see how the project is progressing on <https://verbier4v.ch/blog>

l'inkontro

A word from management

Unfortunately, our winter was less abundant in natural snow than usual, in particular due to the elevated rain-snow limit. Nevertheless, we were still able to provide well-maintained slopes throughout the season thanks to the outstanding work of our employees. The high number of visitors proves to us that the investments we've made in various infrastructures, such as gondola lifts, the artificial snow system and restaurants have been worthwhile. The 2022-2023 winter season will once more have proven to be a fine year.

In summer 2023, Chalet Carlsberg, located on the slope of Les Attelas, will be transformed into a new restaurant called l'inkontro. The northern chairlift will also undergo a makeover to be consistent with the new plans, including the installation of new seats that will be even more comfortable.

Other projects are also at the planning stage, such as the second chairlift in Bruson, the replacement of the Lac 2 chairlift and, of course, the Essert-Savoieyres Télémix system which will bring added value to our region in terms of comfort and efficiency in managing the flow of skiers.

In July and August, the new chairlift for La Pasay – and the restaurant of the same name – will be open every day. These new upgrades to the destination will ensure our visitors can enjoy another high-altitude location.

We can't wait to welcome you back to our wonderful region. As such, I would like to thank you for your loyalty to Verbier, Tzoumaz and Val de Bagnes.

See you soon!

Laurent Vaucher - CEO

New facilities in Le Châble

A new lift is planned for next winter to provide easy access to the gondola lift boarding platform. This will allow those arriving by train with their suitcases to comfortably access the gondola lifts.

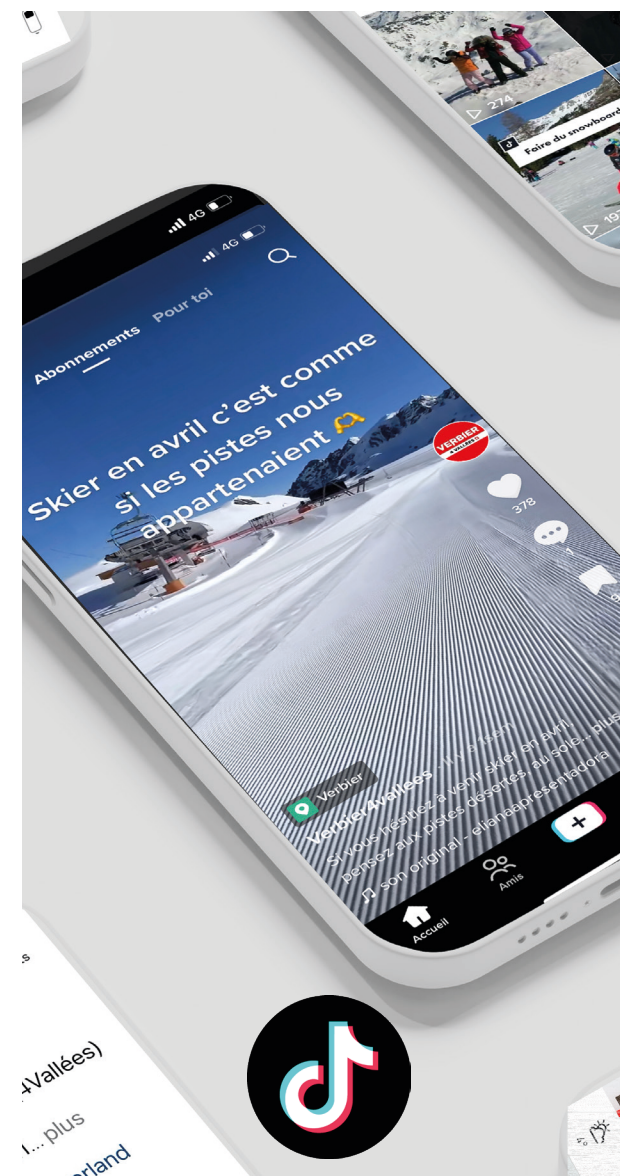

This lift will also facilitate access for bikes and prams as well as for those with reduced mobility.

The work is set to start in September and will take approximately two months to complete.

Gift vouchers are going digital

Treat your loved ones to Verbier 4Vallées gift vouchers and give them an unforgettable experience in the area, whether in winter or summer.

With a wide range of activities on offer, including skiing, a zipline experience, hiking, cross-country scooter outings, biking and much more, just enter the amount

you would like on the voucher and the recipient can spend it on their favourite activity.

This gift voucher is available in our online shop www.verbier4v.ch/gift-vouchers and at the Télévérier SA points of sale (Le Châble - Médran - La Tzoumaz).

Discover the glaciers with the Mont-Fort Expedition

The Mont-Fort Expedition is a three-stage educational trail located between Verbier, Nendaz and Mont Fort. It highlights the natural resources of the region and offers a rare occasion to observe the glaciers in motion.

This initiative aims to raise awareness amongst visitors of how important it is to safeguard our natural world and biodiversity.

Our gondola lifts make reaching high-altitude areas easier, allowing you to explore icy terrains and the glaciers in the Col des Gentianes and Mont Fort, bearing witness to the presence of glaciers in times past.

The main path linking Verbier or Nendaz to Mont Fort will give you an unforgettable adventure through lush green mountain pastures before finally reaching a world of rock and ice.

This trail is not just a visual wonder, but also an educational experience thanks to fun and informative panels dotted along the route. You can also discover the fascinating history of the Tortin glacier, told in comic strip style, which discusses the subjects of mountaineering, outdoor adventures and earth science.

Verbier: A paradise for mountain bike lovers of all levels

In summer, the Verbier 4Vallées area transforms into a veritable playground for mountain bike lovers of all levels! Thanks to gondola lifts, you can gain several meters of elevation to gain height.

The most daring bikers can challenge themselves on our nine downhill tracks with different levels of difficulty in our bike park. In 2022, a green track was created for beginners looking to give mountain biking a go or for those who love fun and relaxing downhill rides between demanding rounds.

Fans of enduro mountain bikes will love our 18 itineraries which offer exciting challenges for those who love to cycle and show off their daring and skill. If you prefer peaceful routes, hundreds of kilometres of marked mountain biking itineraries will help you to discover rolling landscapes at your own pace, whether on a standard bike or e-bike. Various charging stations are available in the area.

New: Bruson will open throughout summer until La Pasay

The area of Bruson will open its doors to you throughout summer for you to discover its hiking trails and mountain bike tracks. The gondola lift linking Le Châble and La Côt and the La Pasay chairlift will be open from 1 July to 27 August. Take in the exceptional regional landscapes whilst hiking through lush green mountain pastures and larch forests. Whether you're looking for a peaceful, family-friendly walk or prefer to get your heart rate up on your mountain bike, the area of Bruson is the perfect place for all.

And if you fancy a well-deserved break for something to eat, the La Pasay restaurant would be delighted to

welcome you with a varied menu of local dishes, all with a breathtaking view of the surrounding mountains.

Note: with the VIP Pass, you can use the facilities of Bruson, Savoleyres - La Tzoumaz and Verbier (up to Les Ruinettes) throughout summer free of charge.

This exclusive pass is available for anyone staying at least one night in the destination of Verbier - Val de Bagnes - La Tzoumaz and who has paid the local tourist tax. It is also available for second-home owners.

This is a great opportunity to discover the summer activities in the region without any extra expense.

Panora'malt

Panora'Malt is an open-air beer festival taking place in La Chaux, at 2,200m altitude, with a view of the Comblins mountain massif. On 29 and 30 July, we've gathered the best craft breweries in the region to provide you with an unforgettable beer tasting experience.

You can discover unique flavours and aromas whilst taking advantage of the warm and friendly festival atmosphere. Concerts, entertainment and activities for all ages are also on the agenda so that everyone can fully enjoy the event.

Festival-goers will receive a glass upon their arrival (included in the price) and can taste craft beer at their leisure.

Each brewery will have their own stand and offer 100ml tastings costing between CHF 1.00 and CHF 2.00. Food stands will allow beer enthusiasts to satisfy their hunger between tastings.

You'll benefit from a special gondola lift rate with every purchase for entry to the festival.

Forcethon

ForceThon will allow you to put your endurance to the test by taking part in a competitive race or fun run – and it's all for a good cause. The course has been adapted for all levels, whether you are an experienced runner or prefer to walk.

By taking part in ForceThon, you will be supporting an important cause and contributing to the advancement of child cancer research. Every step you take, every kilometre run, will take you closer to the ultimate goal: finding an effective treatment to beat this disease.

Join us for a day of sport, solidarity and excitement! Together we can make a difference and give hope to child cancer sufferers and their families.

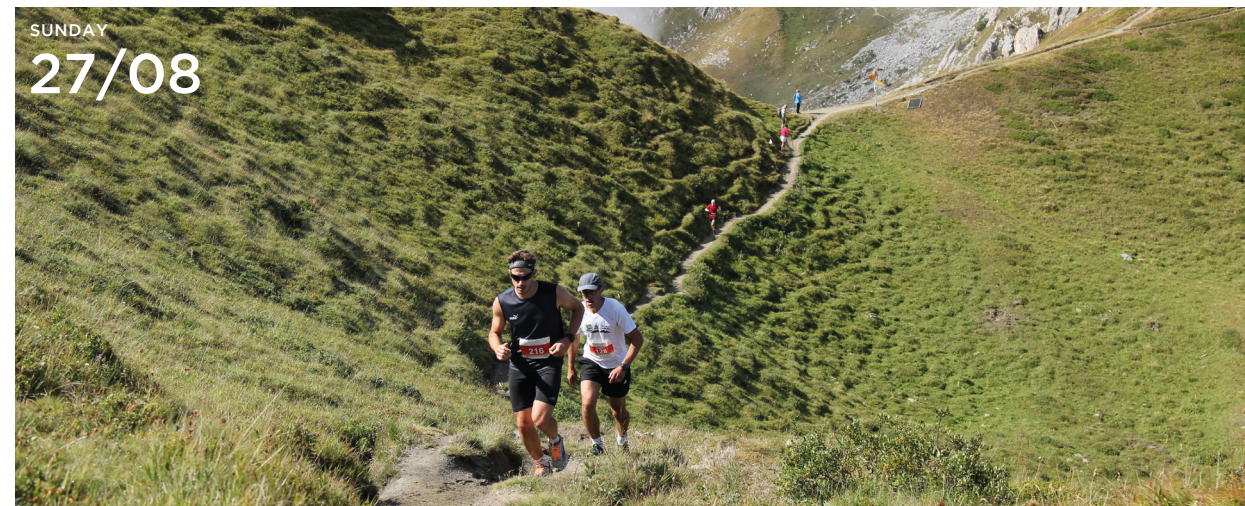

PRACTICAL INFORMATION:

COMPETITIVE COURSE

Family festival

Next 6 August, we will provide an unforgettable family day out. Talented artists will perform on stage in open-air concerts.

Sophie De Quay will headline the event. She'll get the crowd going with her contagious energy and unique electropop musical style.

You can also enjoy a wide range of activities suitable for young and old alike: face painting, a climbing wall, bouncy castles and much more!

Several food stands will be open offering low-cost meals.

The family festival is the perfect occasion to spend a lovely family day out, discover new activities and leave with plenty of memories.
